WELCOME

Thank you so much for volunteering with Bellevue Arts Museum! Your time, talents, and efforts are much appreciated, and we look forward to working with you. We make every effort to provide a valuable and rewarding volunteer experience, and hope that you enjoy your time with us.

Volunteers at Bellevue Arts Museum come from all walks of life; each bringing diverse skills to their work at the Museum. Bellevue Arts Museum has over 200 volunteers who donate their time and energy to many areas of Museum operations. Without your support, we would not be able to provide many of the programs, activities, and services that are valued by our members and the community.

In an effort to ensure both Museum staff members and volunteers have a positive experience, we ask that you read and agree to the information in this handbook. Please do not hesitate to speak with the Volunteer Manager or your supervisor regarding any questions or concerns you may have.

MISSION
Bellevue Arts Museum provides a public forum for the community to contemplate, appreciate, and discuss visual culture. We work with audiences, artists, makers, and designers to understand our shared experience of the world.

VISION
Bellevue Arts Museum is a space where artists and audiences directly participate in the exchange of ideas, illuminating and enriching their joint experience of art, craft, and design.

HISTORY
Bellevue Arts Museum is the Pacific Northwest's center for the exploration of art, craft, and design. The Museum's mission is guided by the belief that craft and design are essential to the conversation on art and are equally transformative. From objects made for everyday use to cutting-edge sculpture, furniture, and jewelry, Bellevue Arts Museum celebrates the creative process, skill, and vision of today's most talented makers. International exhibitions are placed side-by-side with some of the region's most promising artists, fostering global exchange and providing a platform for thought provoking ideas.

Bellevue Arts Museum is one of few museums that grew out of an art fair. Started by a handful of dedicated volunteers, the first fair was held in 1947 and eventually led to the founding of the Museum in 1975. After undergoing a series of transformations, Bellevue Arts Museum opened the doors to its first permanent home, designed by renowned architect and Washingtonian Steven Holl, in 2001. Exclusively dedicated to art, craft, and design since 2005, the Museum has grown to be an important contributor to the region's cultural vibrancy and a leading institution in its field. The Bellevue Arts Museum ARTSfair continues to be a core community program.

BECOMING A BAM VOLUNTEER

APPLICATION
BAM accepts volunteers who are 14 years of age or older. Those interested in volunteering at Bellevue Arts Museum should complete an online volunteer application form. After the application is submitted they will be contacted via email for an interview or with instructions on how to sign up for a shift depending on the volunteer opportunity. Please visit the Museum’s website for www.bellevuearts.org/join-and-give/volunteers-docents. Specific days/hours of volunteer commitments are set individually by each department and staff supervisor.

BACKGROUND CHECKS
To ensure the security and safety of its employees, volunteers, guests, and visitors, the Museum reserves the right to conduct background checks on all prospective volunteers, pursuant to applicable law. All prospective volunteers will also be run through the national Sex Offender Registry.

EQUAL VOLUNTEERING OPPORTUNITY
BAM believes that all persons are entitled to equal volunteer opportunities, and does not discriminate against its volunteers because of race, color, religion, sex, gender identity, pregnancy, national origin, ancestry, age, marital status, veteran status, physical disability, medical condition, or any other basis prohibited by local, state, or federal law.

BAM is proud to be a “Safe Place” through the Bellevue Police Department. What this means is that we display a logo in our windows on the 1st floor to promote our location as a safe haven for anyone who feels they have been the victim of a hate crime or harassment.
As provided by those laws, the organization will make reasonable accommodations if you have a disability, including pregnancy, that substantially limits your ability to perform the essential functions of your job or if working without accommodation would aggravate a disability such that it would create a substantially limiting effect in the future unless doing so would create an undue hardship for the organization. What constitutes a reasonable accommodation is decided on a case-by-case basis.

VOLUNTEER POSITIONS
Volunteer opportunities will be listed on the BAM website or sent out via email to current volunteers. Opportunities range from general volunteering (administrative, special events), to internships, to Teen Docents, to the Teen Advisory Council, to Guild Members to Museum Docents.

VOLUNTEER RESPONSIBILITIES

EXPECTATIONS
Volunteers can expect to be:
- Provided with an orientation to the purpose and goals of the Museum
- Introduced to Museum staff
- Given instructions for recording their volunteer hours
- Provided with adequate work space, training, and ongoing supervision
- Reviewed in regard to their progress on assignments, as applicable
- Accepted as important Museum affiliates

Museum staff expects volunteers to:
- Understand and support the Museum’s mission, vision, history, and policies
- Provide excellent and professional customer service to the public, vendors, and visitors.
- Have a positive attitude and model appropriate professional behavior
- Be prompt and reliable in attendance
- Notify supervisor promptly of absences or planned vacations
- Record hours for every shift using VicTouch on the iPad at Guest Services
- Perform assigned duties
- Respect the confidentiality of sensitive or proprietary information
- Understand that volunteers are not in a position to speak for the Museum or to sign official correspondence
- Notify their supervisor in the event of an on-the-job injury

ABSENCES
Volunteers should remove themselves from the VicNet calendar and email their staff supervisor as soon as they know they are going to be absent, late, or unable to fulfill their volunteer commitment.

If it is within 48 hours of their scheduled shift, volunteers should also call or email their staff supervisor. Weekend volunteers who have a last-minute emergency and are unable to fulfill their commitment should call Guest Services at (425) 519-0770 to leave a message for the staff supervisor.

Three Strike Policy. Strikes include, but are not limited to, complaints received from guests, members, docents and/or staff; not notifying staff of absences; and not showing for a shift. Strikes will be recorded in the volunteer database and after three strikes, volunteers will be removed.

VOLUNTEER RECORDS

PERSONNEL RECORDS
An official volunteer record shall be kept by the Museum. Volunteers can request and receive copies of any information in the file, and have the right to provide written comment regarding any item present in their files with which they may disagree, or feel requires clarification.
CHANGE OF ADDRESS, EMAIL, OR PHONE
It is each volunteer's responsibility to immediately update his/her VicNet profile whenever name, home address, telephone number, email, emergency contact, or other information has changed.

VOLUNTEER POLICIES

DRESS CODE
Volunteers should use discretion and good judgment in order to dress in an appropriate manner suitable for their work area and job responsibility. If in doubt of what is appropriate, ask the staff supervisor or the Volunteer Manager. BAM does not allow clothing of transparent or semi-transparent fabrics, clothing with rips, revealing clothing, spandex, sweat pants, athletic clothing, cutoffs, or beachwear. Skirts and shorts must be three inches above the knee or longer. Logoed apparel should be kept to a minimum.

IDENTIFICATION
Volunteers should obtain a Volunteer Badge from Guest Services upon signing in and must wear them while on duty. Badges should only be worn during a volunteer shift, at all other times, please enter the Museum as a visitor.

RECORDING HOURS
Volunteer hours are invaluable to BAM as to all non-profit organizations. Recorded hours are used for grants, financial sponsorship applications, used to confirm hours for school requirements, and financial reporting. All volunteers are required to sign in upon arrival at BAM and to sign out before leaving. Volunteers will sign in and sign out using the VicTouch iPad at Guest Services (near the coat closet). This is not only important for the reasons listed above, but also for the safety of our volunteers on duty as a record of who is currently in the building in case of an emergency.

Volunteers who do not sign out can only be credited for one hour of service regardless of actual hours worked. For those seeking community service verification, this should be a priority. If a volunteer needs a community service verification signed, they should submit their request to the Volunteer Manager and expect it to be completed within 2 weeks of receipt.

COMMUNICATION
Volunteer information will be communicated via email. Please make sure that BAM has a valid email for you. Volunteers will be held accountable for knowing and adhering to all notices sent via department email messages. If you are not receiving emails, please check your junk mail folders.

PERFORMANCE REVIEW AND EVALUATION
BAM will provide an opportunity annually for volunteers to give written feedback on their volunteer experience based on their expectations, and will strive to foster an environment where the volunteer viewpoint is valued.

TERMINATION OF SERVICES
It is requested that volunteers provide notice, in writing, to the Volunteer Manager one month prior to terminating volunteer duties/service. No Museum property may be removed upon termination unless expressly approved, including files, artwork, reports, etc.

DISMISSAL PROCEDURES
Volunteers may be dismissed for failing to comply with the Museum’s policies and procedures, or for
other inappropriate behavior or conduct. Reasons for a volunteer’s dismissal from his or her position may include, but are not limited to:

- Numerous unexcused absences
- Repeated and/or excessive tardiness
- Being under the influence of drugs or alcohol while volunteering
- Harassment or unprofessional conduct towards a fellow volunteer, staff member, board member, visitor, donor, or other Museum guest. This can include, but is not limited to: unprofessional or inappropriate verbal comments, unwanted or improper physical contact, physical or verbal altercations, social media or online harassment, and/or bullying.

Bellevue Arts Museum reserves the right to terminate a volunteer from their position for any valid reason with no prior verbal or written warning. Types of corrective action the museum may take include but are not limited to an oral warning, a written warning, temporary suspension, and dismissal.

PERSONAL PROPERTY
Volunteers are discouraged from bringing personal property to the Museum due to the possibility of loss or damage. While the Museum will try to make arrangements for the safe storage of purses and similar items, it does not assume responsibility for their security. Volunteers are welcome to use the lockers in the Coat Check near Guest Services for 25 cents, which is return upon removal of items.

MUSEUM PROPERTY
Volunteers should be aware that Museum equipment, desks, file cabinets, and other property they may use in their work belong to the Museum, and are subject to access by the Museum staff from time to time as the need may arise, with or without prior notice.

DISABILITY POLICY.
Bellevue Arts Museum will reasonably accommodate volunteers with disabilities that may affect their ability to work. Although all volunteers must be able to properly perform the essential functions of their tasks, the Museum may be able to make scheduled changes or other modifications, upon request to the Volunteer Manager, to accommodate disabled volunteers. Such information will be treated as confidential, except to the extent staff members need to know to accommodate the volunteer concerned.

HARASSMENT & DISCRIMINATION
Bellevue Arts Museum believes that all volunteers must be allowed to work in an environment free from harassment and discrimination. BAM strives for an open, friendly, uncoercive environment for all volunteers. If you feel that the conduct or statements of any volunteer, staff member, or other person you may contact in your volunteer work, may constitute sexual harassment, or may undermine our commitment to equal volunteering opportunity, it is your obligation, as a volunteer, to immediately notify a staff supervisor or the Volunteer Manager. If you are not satisfied with the response, it is your responsibility to make your complaint, in writing, to the Executive Director. Your report will be taken seriously, investigated, and kept confidential to the extent consistent with our need to investigate.

ETHICS POLICY
In all activities our volunteers must act with integrity and in accordance with the most stringent ethical principles as well as the highest standards of objectivity. The Museum enjoys high public visibility, and our volunteers and staff members hold a generous measure of public esteem. To the public, a Museum volunteer is not seen as representing the best interests of the museum.

Volunteers can never consider themselves or their activities totally independent of the Museum despite disclaimers that they might offer. Any Museum-related action by the individual may reflect on the institution or be attributed to it.
SOCIAL MEDIA POLICY
Volunteers are important ambassadors for the Museum’s mission, reputation, and brand. These guidelines are not meant to restrict personal presence on the Internet, hinder academic or personal speech, or prohibit discussion of Bellevue Arts Museum, provided that such activities do not result in disclosure of the Museum’s confidential or proprietary information, or otherwise violate Museum policies. It is important to keep in mind that social media activity is part of a permanent public record, and individuals are responsible for the content they post on the Internet, including but not limited to blogs, photo and video sharing sites, and social media platforms such as Instagram, Facebook, Twitter, Pinterest or Snapchat. In all online communications, we expect you to be respectful of the Museum, its employees, fellow volunteers, visitors, members, and affiliates. Honor the privacy rights of others and seek permission before publishing their photos or writing about them.

When publishing content to a personal account, volunteers must avoid stating, implying, or creating the impression that they are speaking in an official capacity on behalf of the Museum or that their activity is endorsed by the Museum.

Do not use the Museum’s brand, logos, or other official identities to promote or identify your personal accounts.

TECHNOLOGY USE POLICY
To better serve our patrons and provide our network users with the best tools to do their jobs, Bellevue Arts Museum makes available to our users access to one or more forms of electronic media and services, including computers, AV equipment, local area network (LAN) services, email, telephones, voicemail, fax machines, online services, intranet, and Internet access.

Bellevue Arts Museum encourages the use of these media and associated services because they can make communication and work-performance more efficient and effective. Volunteer users should remember that electronic media and services provided by BAM are Museum property and their purpose is to facilitate and support Museum business. All users have the responsibility to use these resources in a professional, ethical, and lawful manner.

The following guidelines have been established to ensure an acceptable use.

PROHIBITED COMMUNICATIONS
Conducting personal or side business using Museum technology is prohibited. Furthermore, volunteers must not use the Internet for purposes that are illegal, unethical, harmful to the Museum, or nonproductive. Examples of unacceptable uses are:

- Sending unsolicited commercial email to recipients within or outside the organization
- Downloading streaming media such as music from the Internet
- Sending or forwarding chain email, i.e., messages containing instructions to forward the message to others
- Broadcasting email, i.e., sending the same message to more than ten external recipients or more than one distribution list
- Sending email unrelated to Museum business
- Transmitting any content that is offensive, harassing, or fraudulent
- Engaging in online commerce unrelated to Museum business using Museum resources
- Transmitting material in violation of any license governing the use of software
- Any purpose that is illegal or contrary to Museum policy or business interests

PHOTOGRAPHY
Still photography for personal, non-commercial use is allowed in most areas of the Museum, depending on the exhibition. Visitors are welcome to take pictures in the Museum Forum (1st floor) year-round. No tripods, no flash, and no video cameras please. Galleries where photography is not
permitted are clearly marked.

**SMOKING, DRUGS, AND ALCOHOL**
Smoking (including, but not limited to tobacco and e-cigarettes) is not permitted in the Museum or in public areas adjacent to the museum. Washington State’s Clean Indoor Air Act of 2005 prohibits smoking indoors and requires smokers to be at least 25 feet away from all entrances, exits, windows and ventilation intakes.

Volunteers must never report for a shift under the influence of drugs and/or alcohol, or conduct a shift under the influence of drugs and/or alcohol. Volunteers and interns of legal age may consume alcohol while on museum property for museum functions such as preview parties and exhibit opening. However, moderation is expected and volunteers and interns exhibiting signs of intoxication may also be subject to corrective action.

**VOLUNTEER BENEFITS**
BAM honors the contributions of volunteers by providing the following benefits in gratitude:
- 10% off in BAM Museum store.
- Invitations to members-only events and exhibition opening receptions.
- Volunteers accrue one free museum pass for every 10 hours worked, which will be sent out quarterly.
- Free Admission day of your volunteer shift. (Guests must pay the normal admission fee).
- Free admission to reciprocal museums and cultural attractions in the Puget Sound area during National Volunteer Appreciation Week every April.
- 20% off one item in the BAM store during National Volunteer Appreciation Week every April.

**SAFETY AND SECURITY**
Bellevue Arts Museum will make reasonable efforts to provide and maintain safe working conditions. Volunteers are expected to cooperate by working in a safe manner to prevent accidents. Volunteers are required to report any accident, injury, or unsafe conditions immediately to their staff supervisor.

Volunteers are covered by workers compensation insurance for injuries sustained in the discharge of official duties. This does not cover normal travel to and from the Museum.

If in case of an emergency, the Evacuation Meet-Up Location for BAM staff, volunteers, and interns is located across Bellevue Way and in front of the Cheese Cake Factory.

If you have any questions regarding the safety procedures of the Museum, please ask any of the members of the security team or contact BAM’s Operation Manager, Jeremiah Meno, Operations Manager at 425.519.0730 or jeremiahm@bellevuearts.org
